

# North Carolina Pest Control Education Foundation

## Past Presidents' Scholarship

The North Carolina Pest Control Association (NCPCA) is a not-for-profit trade association whose member companies are businesses that provide pest management to residential homes, commercial buildings, schools, hospitals and manufacturing facilities

In 2004, NCPCA established an education foundation to award deserving students funding for post-high school instruction at technical schools, colleges and universities. Scholarships ranging up to \$10,000 will be awarded to owners or employees, or children and grandchildren of an owner or employee, who currently work for a NCPCA member company in good standing for the past two years. An applicant's parents or grandparents must fulfill a two year minimum requirement of working in the pest control industry. If this obligation is not fulfilled, the money is subject to full repayment.

It is with great pleasure that we offer to you this opportunity to apply for the North Carolina Pest Control Education Foundation Scholarship.
