

*North Carolina Pest Control  
Association*

## **Accredited Wood Destroying Insect Inspector**

### **Code of Ethics**

To maintain a high level of moral responsibility, character and business integrity; to practice fairness, frankness and honesty in all advertising and in all transactions with the general public.

To hold our industry in high esteem and strive to enhance its prestige.

To perform all WDIR inspections according to the highest standards and methods outlined in the NCPCA Accredited Inspector Manual.

To keep the needs of our client always uppermost.

To perfect our skills and business practices through continuing education and learning.

To respect the reputation and practice of other pest control operators.

To encourage, establish and maintain high standards of competence, knowledge and performance.
